Let a suppose the South should but the second streams I will venture to say you will find innumerable boar to say you will say the same that the say that the say that the same voters or not in sympathy with the movement. This would leave this meeting without any reason to suppose it voiced the majority of Richmond's voters. It has always been in every matter for the defeated caudidate to imaginary the months of the majority of didate to imagine that there was some other cause for his defeat than because he did not receive the requi-

site number of votes. In the recent ducer of the raw material? contest the defeated candidates were numerons, and Mr. Royall found not a few of these that would rather pensive, and nearly every housewife have his salve than quietly "take can relate a story of the difficulty in their medicine." There was undoubtedly, crooked- ders how long an almost intolerab e ness in that primary contest, and it situation is to be endured.

is doubtless true that there are oth-WA ers that should be indicted and pun-HE IS A REPUBLICAN. ished, and every honest citizen will rejoice to see these men caught and made to pay the penalty. But the individual, as a "fine gentleman," but as the chosen representative of the Republican party. It is Judge to mention the inconvenience and suffering such injuries entail.

To sate by Messalek & Gunbo, tryington; w. A. Dameron & Bro., weems; G. w. Sanders & politicians to swerve him to the right or to the left from the straight path of political duty. If there is of polls.

The penalty provided with means to the Republican party. It is Judge of election and return of polls. made to pay the penalty. But the dispersion of cordinary arrangements of our country are amply provided with means to accomplish this purpose, and Richmond is certainly not so sunk meetings to appoint vigilants to secure honest elections in contests in the Democratic fold.

And if such a heed were present, it is hardly probable that the majority of Democratic would select the present head of the committee, and a number of others named therein, who in 1900 tried to turn this State into the Republican oclumn, to lead such a movement.

Thus far was written when the announcement of the last massing meeting was called for, and as still was a mention of the last massing in the presided were the political that the political the party tried to saddle the intellight of their campaign the follows the subject of the centum when the present was a Republican when the presided were the Court of Standard Oil Company bob up servely meeting was called for, and as still was a Republican during the presided over the Court of Appeals with justice and dignity, he presided over the Court of Appeals with justice and dignity, he presided as the political through the Abone administration of the call when the present was an administration of the call when the present was a mentioned to the call when the present meeting was called for, and as still more startling evidence was promised, that evidence was waited for. It has been held, and the same old carcas has been rehashed.

The general estimate of the crowd at this last meeting was that there were less than five hundred hearers present. Put it at 500. From this indications not more than two-thirds of those present were in sympathy with Mr. Royall.

Brested as the political administration of the "trust busters," their mistakes and trust busters," their mistakes she follows the statle from the polits to the wrestle with problems of remedial legislation and the final fight in the courts, by which the Santa Fe has been indications not more than two-thirds of those present were in sympathy with Mr. Royall.

Brested as the bond and shadone administration of the "trust busters," their mistakes she follows the States district attorney by a Republican of the wrestle with problems of remedial legislation and the final fight in the courts, by which the Santa Fe has been indications not more than two-thirds of those present were in sympathy with Mr. Royall.

Brested as the bond administration of the "trust busters," their mistakes and their triumphs. She follows the States district attorney by a Republican of remedial legislation and the final fight in the courts, by which the Santa Fe has been indications and games. In the evening the Sultan presented Miss Roosevelt with several splendidly embossed below the Republican of the Republicans of time triumphs. She follows the States district attorney by a Republican of vice from the polls to the wrestle with problems of remedial legislation and the final fight in the courts, by which the Santa Fe has been prompts and games. In the evening the Sultan presented Miss Roosevelt with several splendidly embossed below, spears and kriseses.

That is the long and short of it. He was recently appointment when he was nominated by the Republicans of Virginia. Of the "courts, between the final sight in the courts, by which the Santa Fe has been
